

CROSS COUNTRY SASKATCHEWAN

Level 2 Officials Course: September 22- 24, 2017

Who Should Take This Course and Why

This course is designed to train level 1 officials with some experience to be “chiefs” who are responsible for small volunteer teams at races (e.g. “chief of start”). It also appropriate for volunteer race officials who don’t necessarily want to be a chief but want to be more knowledgeable as a race volunteer.

It will be a unique experience as the course is being delivered in Waskesiu in beautiful Prince Albert National Park on the same weekend as our athletes are participating in a provincial training camp and some of our coaches are taking a T2T course so lots of our skiing friends will be there. Time will be set aside for those wishing to participate in the Outer Limits Fun Run (or to cheer on our athletes).

It is important that clubs who wish to host future Sask Cup races or Provincial Championships continue to develop level 1 (individual role), level 2 (chief/supervisor) and level 3 (chief of competition/technical delegate) officials as having knowledgeable and experienced volunteers is a Cross Country Saskatchewan and Cross Country Canada expectation of host clubs – to assure delivery of an excellent race experience for the athletes.
