

## Save The Date: Canada Winter Games Trials Races

The 2019 Team Sask Canada Winter Games Team will be decided following 3 days of Trials Races from **December 28th to 30th, 2018** at a ski venue in Saskatchewan.

If you are a cross country ski racer who hopes to make the 2019 CWG Team, please set those dates aside, as the Trials Races will be mandatory for any prospective athletes.

The exact selection criteria is being finalized and will be distributed, as well as presented, at the High Performance Meeting at the CCS Spring AGM in Saskatoon - Saturday, April 28th, 2018.
